Hi Marc,

Your new electricity plan enrollment for service at [redacted] Nyack, NY 10960 (acct# [redacted]) has now been confirmed by the supplier Clearview Energy and your utility Orange and Rockland. They estimate that your first date of service under the new plan will be 2017-05-03.

As a reminder, this new plan has a rate of 6.69¢/kWh and is 100% renewable energy. The Orange and Rockland standard service rate as of 2017-05-03 is 10.018¢/kWh.

Your new electricity enrollment with Clearview Energy for service at [redacted] Nyack, NY 10960 (acct# [redacted]) is now active.

Starting on or about 2017-05-03, please confirm the enrollment with Clearview Energy and rate is 6.69¢/kWh. If it isn't confirmed, please contact us at help@myutiliz.com.

As a reminder, this new plan has a rate of 6.69¢/kWh and is 100% renewable energy. The Orange and Rockland standard service rate is 10.018¢/kWh to 10.206¢/kWh on 2017-06-01. Based on our view of future standard service rates and your estimated usage, we think this plan will save you around \$318 (29%) over its 6 month term.

When your contract nears expiration, we will automatically switch you to the best plan that suits your preferences and usage. We'll be looking to do your next switch around 2017-10-04.

Access your enrollment history, contracts and savings estimates any time in your online Viv AutoPilot account.

Hi Marc,

You've saved \$292 with Viv AutoPilot as of 2017-10-03. Taking into account your spend of \$20, that's a gain of \$272 and an annualized return of 3,051% on your subscription cost. Plus, you're on track to save another \$26 through 2017-11-02. Your savings will continue as we enroll you on new plans in the future.

Here are the current details of your Viv AutoPilot service:

[redacted] Nyack, NY 10960 (Orange and Rockland)

This meter is currently on a Clearview Energy 6 month plan at 6.69¢/kWh. The plan became active around 2017-05-03 and will end around 2017-11-02. We'll be looking to do your next switch around 2017-10-04.

Your current and historical enrollment info, savings estimates and more are always available in your online Viv AutoPilot account.

SET IT AND FORGET IT

Hi John,

Your new electricity plan enrollment for service at

has now been confirmed by the supplier Clearview Energy and your utility ConEdison. They estimate that your first date of service under the new plan will be 2018-07-25.

As a reminder, this new plan has a rate of 7.39¢/kWh and is 100% renewable energy. The ConEdison standard service rate as of your projected contract start is 9.0¢/kWh. Based on our view of future standard service rates and your estimated usage, we think this plan will save you around \$86 (18%) over its 6 month term.

Furthermore, we estimate this new plan will save you around \$274 (41%) over the 12.5¢/kWh VIRIDIAN ENERGY plan you were on before you joined Viv Autopilot.

There's nothing you need to do. We'll email you again when the plan becomes active.

Your enrollment history, contracts and savings projections are available 24/7 in your online Viv Autopilot account.

Hi Danielle,

We've submitted a new electricity plan enrollment to Town Square Energy on your behalf for service at [redacted] [redacted] Newtown, CT 06470 (acct# [redacted]). They will now coordinate with your utility Eversource to switch your service. Nothing will change until after they confirm the switch back to us, which could take up to a few weeks.

This new plan has a rate of 7.05¢/kWh. The Eversource standard service rate as of your projected contract start is 9.078¢/kWh. Based on our view of future standard service rates and your estimated usage, we think this plan will save you around **\$38 (18%)** over its 4 month term.

We project that your new plan will become effective around 2018-06-22 pending confirmation of the enrollment. **Town Square Energy might call you to confirm the switch. In that case please do so, or let them know Viv Network (through our service provider and broker Utiliz LLC) is acting as your agent and refer them to us.** They may also send you information via postal mail which you can file away. Other than that, you don't have to do a thing.

Contract information for this plan, as well as your current and historical enrollment info, is always available in your online Viv AutoPilot account.

[Go to my account](#)

That's all for now! We'll write to you again after Town Square Energy and Eversource confirm your switch.

Best regards,
The Viv Network Team
